ONLINE PRESS CONFERENCE
26 MARCH 2021
10.30-11.45 AM

Europe takes a leap into the future of remote-sensing technologies

Thanks again for registering for our first Press Conference.

You will be one of around 50 people joining us tomorrow from across Europe and beyond. We hope you will find our news interesting and worth sharing with your colleagues, peers, readers, or followers.

Please click the button below to join us tomorrow for the online press meeting.

JOIN THE MEETING

We look forward to meeting you.

Peter Liljenberg
Communication manager, NEMO

(email) peter.liljenberg@gate21.dk
(mob) +45 313 7003

Programme

1. Introduction to NEMO: Reducing the deadly impact of air- and noise pollution

Gate 21 & Fundación CARTIF (10mins)

2. Presentations: The innovative elements of NEMO's solution (6 x 5mins)

- Exhaust emission, presented by OPUS RS Europe
- Noise emission, presented by MULLER-BBM
- Integration/Communication, presented by M+P/SINTEF
- Mitigation, presented by University of Cantabria
- Pilots, presented by The Regional Agency for Environmental Protection Of Tuscany
- Impact & City Exchange, presented by Transport & Environment

3. Selected breakout sessions with Q&A:

Choose your breakout room (select from links posted during the meeting, to below topics):

- a) Project overview
 - b) Emissions & Integration
 - c) Mitigation
 - d) Pilots
- (30mins)

4. Return to the main forum - next step in NEMO's development work

Gate 21 & Fundación CARTIF (10mins)
