The International Year of Sound and the International Students Competition

“Importance of Sound for Society and the World”

is the motto of the **International Year of Sound 2020-2021**, the global initiative to highlight the importance of sound and related sciences and technologies for all in society.

During the **school year 2020-21**, inspired by the motto, **students from all over the world** drew paintings and pictures inspired by sound and composed **lyrics** of the song “The sound of the world”, participating at the **IYS International students competition**.

The International Year of Sound and the International Students Competition

On January 31, 2020 at the *Grand Amphithéâtre de la Sorbonne* in Paris, the main activities of IYS were presented. Among them, the International Students Competition.

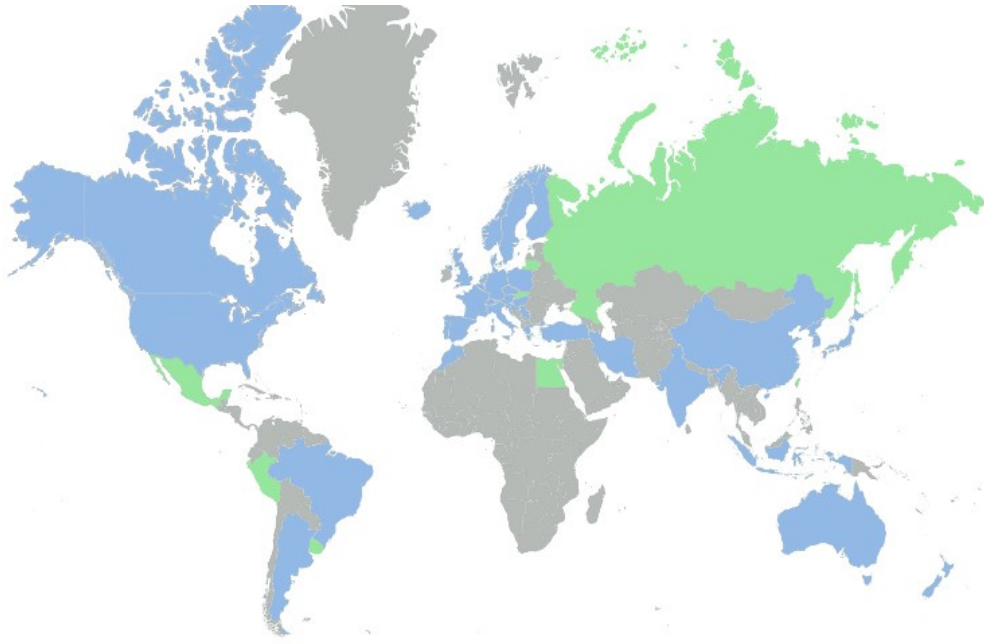

The Competition Office:

- wrote the competition regulation,
- promoted the competition on IYS website and social networks,
- coordinated activities, directly and via National Representatives,
- archived the materials received,
- organized the evaluation process,
- produced the videoclip of the song and the documentary

Despite the pandemic restrictions, the competition has been **successful**. It attracted many participants and gathered students from many schools.

The International Students Competition - Participation

39 National representatives collected and selected contribution from schools of all continents

Competition category I (primary schools) : 39 drawings finalists; more **650** items sent to National Representatives

Competition category II (middle and secondary schools): 33 stanzas finalists; more than **50** items sent to National Representatives

Students (schools) addressed and actively involved: **15.000** approximately (**80** schools in **16** countries)

THE SOUND OF THE WORLD

Wherever , wonderful sound
Storm and rain, waves and falls
the sound of the world
Footsteps on the brown leaves
chirping birds, river and woods ...
the sound of the world

Singing! Sound of the world are so swinging!

Singing! Making the bells of love ringing!

We are the sound, we are the sound of our world! (2 volte)

Remember, all magic sounds,
you had heard and loved these
the sounds of the world.
Oh listen! My heart beating
you can find in your mind
the sound of the world.

Singing! Sound of the world are so swinging!

Singing! Making the bells of love ringing!

We are the sound, we are the sound of our world! (2 volte)

Each small voice can, change the world
each small voice, is the sound, the sound of the world
Each animal, person
have different mind , they are the sound, the sound of the world

Each sound is unique, take care of them
because not disappear, the sound of the world
Each music are different
and has many, types to sing, the sound of the world
